

How Many Apples?

You need crayons.

1 Look

Colour the three trees.

Count the apples on each tree.

2 Make

Circle how many apples are on each tree.

1 2 3 4 5

1 2 3 4 5

1 2 3 4 5

3 Tell

Draw one more apple on the first tree.

Tell a grown-up how many it has now.

Try this too

Draw a tree with five apples in this box.
