

Tall and Cross Letters: i l t f

You need a pencil and crayons.

1 Look

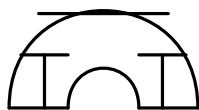

Draw a line from each letter to its picture.

f

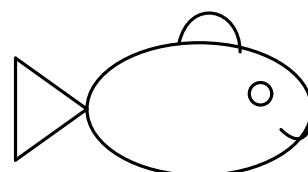

igloo

fish

2 Make

The first letter shows the dot to start on and the way to go.

Trace the dotted letters twice, then write it at the end.

3 Tell

Say the four picture names slowly to a grown-up.

Try this too: on the back, write the letter with a cross.
