

Hop Along the Number Line

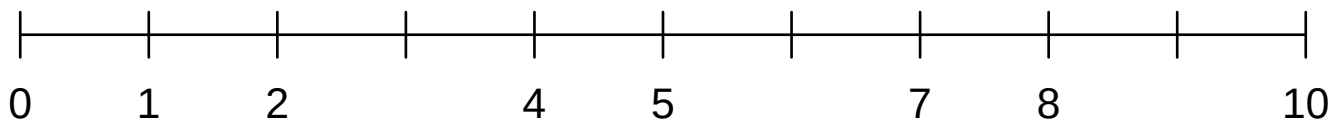

You need a pencil.

1 Look

Look at the number line. Three numbers are missing.

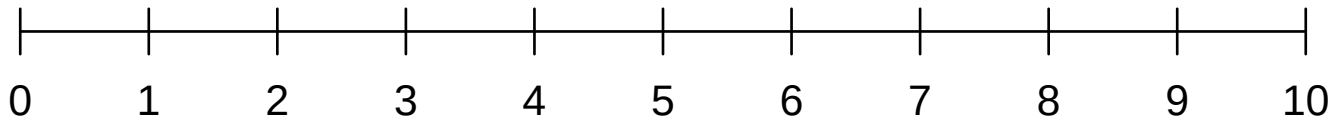

2 Make

Write the three missing numbers under their ticks.

3 Tell

- 1 Start at 4 on the line below. Draw 3 hops forward.
- 2 Tell a grown-up which number you land on.

Try this too

Start at 9 and hop back 5. Write where you land here:
