

Find the Way on Pine Island

You need a pencil.

1 Explore

Find the hut symbol in the key.

Circle both huts on the map.

2 Create

On the map, draw a path from the boat to the hut in the south.

Your path must cross the bridge and must not go through the wood.

3 Explain

Use the compass. Write the two directions your path took (N, S, E or W).

First I went _____ then I went _____

Add one more idea

Pine Island needs a lake.

On the back, draw the island again with a lake on it,
and add a lake symbol to your key.
