

Finish the Runaway Kite Comic

You need a pencil.

1 Explore

Circle the panel where the kite string comes loose.

2 Create

Draw panel 3 in the big box: show how the kite comes back.

Write what Bunny says in the speech bubble.

3 Explain

Write one sentence: who solved the problem, and how?

What if?

The wind stops and the kite drops into a tree instead.

On the back, draw that panel 3 and write Teddy's reply.
