

Turn Notes into a Message

You need a pencil.

1 Explore

Read the five notes about a dog found in the park.

brown and white, about the size of a cat
found on Tuesday morning near the old bridge
wearing a collar with no name tag
friendly, and very hungry
now waiting at the park office

2 Create

- 1 Write a three-sentence message for the park noticeboard.
- 2 Only use notes that help someone recognise the dog.

3 Explain

Which note did you leave out? Explain why it did not help.

Make it harder

Rewrite the message so it fits in one sentence.
