

Find the Hidden Rule

You need a pencil.

1 Explore

The same rule turns every input into its output. Two cells are missing.

Input	Output
3	8
5	12
7	16
10	
	30

2 Create

- 1 Write the rule in words on the line.
- 2 Then fill in the two empty cells.

The rule is _____

3 Explain

Explain how you tested your rule before you trusted it.

What if? Find a different rule that also turns 3 into 8.
